We would like to focus on the purpose of this meeting that should permit us to:

- answer to your questions concerning our FSC certification body activity;
- the performance of our client in managing its 3 UFA (UFA 10 030 et 10 041) and the UFA of its partners Assene Nkou (UFA 10 039 et 10 044) and Sodetrancam (UFA 10 031 et 10 042), located in the East Province - Cameroon, concerning 341 708 ha.

To optimise the available time for this meeting, we will avoid to deeply debate too technical issues but you can be ensure that Bureau Veritas Certification will answer your remark in a quite short meantime.

In this way, you will find attached an information form that will permit us to record your remarks and contact details. You may fill in this form before or during the meeting, and give it to us at the end of the meeting.

We would like to remind you that every kind of comments should be provide in a formal mode, giving as factual and sharp elements as possible.

Don't hesitate to contact us for further information that concerns this meeting or the stakeholder consultation process.

We thank you again for the co-operation you may bring us.

Yours faithfully.

Caroline DUHESME,  
Wood & Forest Department Manager  
Africa Office

PS: As mentioned in our previous mail, we are obliged, as a certification body, to strict confidentiality, and therefore, if you wish the remarks and comments that you send us can be kept confidential. In such a case this information will only be known by Bureau Veritas Certification staff and the audit team for this assessment.
